Fira D'Art Sitges 2024

Fira D'Art Sitges 2024: During this weekend in September, the Sant Sebastia beach promenade will be filled with artists who exhibit and put their works on sale. You will find works of very different styles and it is a fantastic opportunity to discover local artists and chat with them. The artists present themselves through an open call and are selected by a committee of people who are experts in the visual arts. Seeing the promenade converted into a great outdoor artistic showcase will be a joy to behold!
