

"POETRY IN VISUAL"

Invitation

The Museum of the City of Aveiro and the gallery of the Capitania building, two locations in the center of the city, receive more than 100 works by national and international artists. The exhibition will be held from 26 June to 26 July 2015.

The inauguration of the event will happen on 26th June at 17:00 at the gallery of the Capitania building.

This initiative organized by the ART-MAP curatorial project benefits of the partnerships of the Municipality of Aveiro and of the University of Aveiro and the collaborations of Cultural Association Mercado Negro and art-cafe Disha Gourmandise.

The exhibition "Poetry in Visual" features creative works in which poesis is the message and the desire which subordinates the choice of theme and technique. Participants responded to the challenge of searching for poetic elements in contemporary art and their works show the same concern. The exhibition includes painting, sculpture, photography, artist book, installation and video art.

We are counting on your presence.
